FIFA® is one of the most popular video game series around the globe. Millions of fans choose FIFA as their football game of choice, and since its official debut in 1991, FIFA has continued to evolve, mirroring the sport it is designed to simulate, and over the years, the game has become not just the ultimate football game, but the definitive sporting experience. FIFA's continued popularity has made its own publisher, Electronic Arts, the world's leading sports entertainment publisher. The FIFA franchise is currently one of the world's most popular and successful sports franchises, with FIFA being the top-selling sports franchise of all time. In FIFA, players can control any of the world's top players and compete in tournaments, earn points and prizes, and master the passing, shooting, and scoring skills needed to become a true football legend. FIFA ON THE GO FIFA ON THE GO was developed exclusively for the new generation of consoles. The handheld version allows players to play or even train on the go. Developed by Tripwire Interactive and powered by the Frostbite engine, FIFA ON THE GO features many of the gameplay features and innovation that are at the heart of FIFA. Players can sign in to their FIFA ON THE GO accounts and pick up where they left off. TECHNOLOGY AND INNOVATION, EVERYWHERE FIFA was built on a reliable and powerful engine, the EA SPORTS™ Soccer Engine, which now powers the handheld version as well as the console versions. Featuring a robust and flexible development environment, the engine allows development teams the freedom to quickly make changes to the physics, game mechanics and gameplay systems. New in FIFA 22 is the integration of player intelligence on the pitch. Not only have players' physical attributes increased, but the new "Individual Intelligence" system allows them to make more intelligent decisions in crucial moments on the pitch and use smarter tactics to make more intelligent passes and tackles. The teams come alive with the new "Team Intelligence" system, which reflects the intelligence of the players around them, creating a deeper gaming experience. Here are some features of FIFA ON THE GO: - Bring your game anywhere - Interact with in-game characters and items - Pocket edition: go anywhere, play anytime - Touch controlled - Aim for the head - Item Pins and transfer speculation - New tournaments with the biggest names in the game - Teams can be booked - Goal streaks
