

_____ Demonstrates a new thinking: There is no real winner in this game. In fact there's no real boss - in this game you can simply play This is a one-time-use game that will be desaturated after the official release. _____ What's in it for you? Version 1.0.3 ----- - Fixed a bug where you could get stuck in a corner during a boss battle. - Removed the Musician and Artist from the game.Q: Using basename to get the newest file in a certain sub directory I have been trying to get the newest file in a certain sub directory called "images" by using basename. If the directory is "images/2016" I would expect to see "2016.jpg" printed out. Yet this is not what I get. This is the code I am using. import os def main(): for file in os.listdir("images"): try: if file.endswith(".jpg"): basename = os.path.basename(file) print(basename) except Exception,e: print("File not found") if __name__ == "__main__": main() A: os.listdir() returns a list of files. I think you want to use os.path.join() instead of os.path.basename(). os.path.basename() returns the basename (the name) of a path. os.path.join() combines the directories of a path and a filename The following function should give you what you need: import os def main(): for file in os.listdir("images"): try: if file.endswith(".jpg"): basename = os.path.join(file, '

LINDALL FIELD LINDALL FIELD would have been around 111 years old if she'd lived long enough to turn 111. She didn't know then that she'd be the mother of twins, one boy and one girl. LINDALL FIELD was an old lady in her nineties and a wonderful one at that. She had bright blue hair and she took fantastic photographs. She was a lovely, retiring dear old dame with an extraordinary moustache and a whalebone corset. She spent her long life baking bread and setting up bake sales for charity. She'd attended the same school in the East End of London for ninety-nine years. She became a musical prodigy at the age of five and won many prestigious prizes. She smoked her last cigarette in her seventies and enjoyed a game of canasta every day for as long as she could remember. She was very happy until the day she died. ## INDEX academic schedules, 10-11 adulthood, 94-95 Adulthood, Saying Goodbye to, 135-38 adults,, 45-46; children's place in family of, 41-44; disguising depression in, ; example of, 12-15
