When you look into the eyes of your fellow Tarnished, you can see a heart filled with desperation. You feel a strong desire to bring those feeling the pangs of uncertainty to light. For those who cannot afford the pain, you are prepared to lead them to

freedom. With your trusty pistol in hand and a full arsenal, you will hunt down and eliminate the supporters of the false Elden King. You will search for and destroy all who would stand in your way of bringing the once-beautiful lands back to life. HOW TO PLAY: You control a Tarnished that may or may not be a Smuggler. There is no official leader, but one of the Tarnished will come to be the leader after you complete the game. Your goal is to defeat the Elden King and restore the Lands Between to greatness. You will do this by traveling to locations throughout the Lands Between, and defeating enemies to obtain weapons, armor, and magic. When you earn enough gold you can buy equipment which increases your stats and give you different

bonuses, such as faster movement speed or more bullets in your gun. Your goal is to become the most powerful Tarnished in the game by killing the greatest number of enemies. HOW TO PLAY: When you arrive at a dungeon you are given the choice to "PATRIOT" or "PATRIOT: For Security".
