Also, for the first time in PSO2 history, we are planning to hold a content share event, "Share the Power Between the Players", on the 25th February, 3 PM GMT.

Photo of the PlayStation 4 Version

We would like to take this opportunity to introduce a new image of the PlayStation 4 version of PSO2. We considered various potential visuals, but we kept the familiar illustration style in mind, and thus appointed a familiar character from the original PSO.

We appreciate your support so much. We hope you will look forward to the catalog update, as well as the event to be held on the next day.
